Path 2: Witnessing The Gospel Movement

The Book of Acts

Begin with prayer. Ask God for spiritual illumination that you might understand what you are reading and be able to apply it to your life today.

1. Understand God's Word in ITS context.

Observation: (What does it say)

- What stuck out to you?
- Do you have questions from what you read?
- Was there a sermon preached in this section? If so, by whom? To whom? Context? Emphasis?

Interpretation: (What does it mean)

- What did you discover about Jesus?
- What did you discover about the Gospel?
- What did you discover about yourself?

2. Apply God's Word in YOUR context.

Application: (What does it mean for you)

- What's your biggest take-away?
- How did God's Word challenge the way you think or live?
- Is there anything you could share with someone outside this group that might be helpful or meaningful
